**Congresswoman Marcy Kaptur,
thanks for helping our kids
breathe a little easier.**

Voting to stop the TRAIN Act was
the right thing for Ohio families.

Some in Congress want to block new air pollution limits that would reduce the amount of mercury, dioxins, and acid gases in our air. Stopping these rules would be bad for young children, anyone with asthma, and everyone who wants cleaner air. Congresswoman Marcy Kaptur was under a lot of pressure to open this loophole in our clean air laws, but she stood up for Ohio families.
