# MAGA EXTREMIST KURSTIN JOHNSON

**STANDS WITH TRUMP, THE GUN LOBBY,  
AND BIG OIL – NOT US.**

**Kurstin Johnson** is wrong for New Mexico. She's a MAGA Republican who has donated thousands to Trump.<sup>1</sup> Her campaign is bankrolled by big oil and gas special interests.<sup>2</sup> She has no plan to protect our environment.<sup>3</sup> And she is backed by the gun lobby, which puts our children at risk.<sup>4</sup> MAGA extremist Kurstin Johnson is not looking out for us.

- ✘ Gave \$2,750 to Trump's campaign.<sup>1</sup>
- ✘ The oil and gas industry has donated more than \$25,000 to Johnson's campaign – it's no wonder she opposes expanding environment protections for our land, air and water.<sup>3</sup>
- ✘ Endorsed by the NRA and earned their highest rating for a non-incumbent.<sup>4</sup>

**Reject Kurstin Johnson. Vote on November 8.**
