Rep. Melissa Bean:

Thank you
Congresswoman
Melissa Bean

The American Clean
Energy and Security Act =
More Jobs
for Illinois

Congresswoman Melissa Bean voted for the American Clean Energy and Security Act. It will boost clean, American-made energy and could help companies in Illinois hire 70,000 more workers.*

The legislation will jump-start demand for steel for wind turbines, energy efficient windows for new construction, and thousands of other products made in America.

And it will cut oil imports by $20 billion a year. A good deal for Illinois and America.
