**Congresswoman Nan Hayworth,
thanks for helping our kids
breathe a little easier.**

**Voting to stop the TRAIN Act was the
right thing for New York
families.**

Some in Congress want to block new air pollution limits that would reduce the amount of mercury, dioxins, and acid gases in our air. Stopping these rules would be bad for young children, anyone with asthma, and everyone who wants cleaner air. Congresswoman Nan Hayworth was under a lot of pressure to open this loophole in our clean air laws, but she stood up for New York families.
