

**Congressman Tim Walz,  
thanks for helping our  
kids breathe a little easier.**

**Voting to stop the TRAIN Act  
was the right thing for  
Minnesota families.**

Some in Congress want to block new air pollution limits that would reduce the amount of mercury, dioxins, and acid gases in our air. Stopping these rules would be bad for young children, anyone with asthma, and everyone who wants cleaner air. Congressman Tim Walz was under a lot of pressure to open this loophole in our clean air laws, but he stood up for Minnesota families.
