**Congressman Mike Doyle,
thanks for helping our
kids breathe a little easier.**

**Voting to stop the TRAIN Act
was the right thing for
Pennsylvania families.**

Some in Congress want to block new air pollution limits that would reduce the amount of mercury, dioxins, and acid gases in our air. Stopping these rules would be bad for young children, anyone with asthma, and everyone who wants cleaner air. Congressman Mike Doyle was under a lot of pressure to open this loophole in our clean air laws, but he stood up for Pennsylvania families.
